

## February 2018 President Report

February is here, 2018 is moving fast. Our meeting this month is Tuesday February 20, 2018 at Yesterday's Restaurant, 3153 Route 35, Hazlet NJ 07730, (732) 264-3777. Topic is Electronic Mixing Valves, presented by Powers Representative from Edwards Platt & Deely.

We have had most of our meeting this year at a new venue Yesterdays Restaurant. We feel the separate room gives our speakers better acoustics and do not get as much background noise as Dominic's Restaurant in Hazlet. We are not giving up on Dominic's, but we on the NJ ASPE Board wanted to try something new. Please let us know if you have any comments good or bad.

This year our 2018 ASPE Convention and Exposition is in Atlanta Ga. From September 00 thru October 00. Sign up early, Registration begins in April. This year we are proud have two NJ ASPE members nominated for ASPE College of Fellows.

Our annual NJ ASPE Golf Outing is on Monday May 7, 2018. We are playing Stanton Ridge again this year. It is a great venue. Please check your email and for brochure. Golf Brochure is also available on NJ ASEP Website [www.new-jersey-aspe.org](http://www.new-jersey-aspe.org) Sign-up early.

*We are always looking for topics for future meetings. Please send your ideas for topics or the kind of presentations you are interested in having at future ASPE meetings to Vice President Technical Nick Azmo [nick.azmo@conbraco.com](mailto:nick.azmo@conbraco.com) and we will try our best to have them. We want you all to come to at least 3 meetings a year and bring someone with you if you can.*

*Please visit our New ASPE Chapter website. [www.new-jersey-aspe.org](http://www.new-jersey-aspe.org)*
