

Presidential report

3/2017

Hello all! I'd like to report that our last meeting saw some new faces and had a good turnout. We have been using the calendar system for a year now and it is sort of working. We need to get into the habit of responding to the meeting invite and I would suggest that you do not decline the meeting but instead put tentative so that the meeting remains on calendar. Once again if you respond to the meeting calendar invite you do not have to register with Bob Copeland, however if you prefer that method it is still available. We will use the calendar invite to track acceptances and to assist with a head count for the restaurant where the meetings are being held. Additionally, we have been updating the electronic mailing list so all new members should be receiving the e-mail blasts as well as meeting announcements. If you are not please reach out to Brenden Dowd, VP Membership to verify your membership and contact information.

The golf outing this year will be held on Monday, May 1 at Stanton Ridge Golf and Country Club. This is our largest fundraiser of the year. Please come out and support us. Look to the website for updates and more detailed information.

ASPE NEWS

The 2016 CPD exam registration is now open and will close on March 24. The test dates are April 6 & 7th of this year. The test is held at several sites throughout the country. Visit aspe.org/cpd for registration and test information.

The 2017 ASPE Technical Symposium will be located in Montreal, Quebec this year. The Convention will be held October 19-22 in Atlanta, GA. Click on the aspe.org website under the conferences and meetings tab to register for the mailing list. The Call for presenters is now closed but if you are looking to share your knowledge and design experience with others in the plumbing industry, email speakers@aspe.org to inquire about future availability.

As discussed at our last meeting several board members will not be returning and we have at least three openings, the chapter needs your help, if you have interest in joining our board and or becoming a delegate for this experience please contact one of the current board members at the meeting this month.

See you at the next meeting, March 21st!
