

April 2017 VP Technical Report

Our April meeting was well attended. A big Thanks goes out to Tom Pitcherello for taking the time and effort to come to our meetings every year with important Code information and answering our questions in reference to the codes and any other important items from DCA. The time and effort is Very appreciated by all.

Tom also spoke in regards to the Code hearing in Atlantic City and we all were very disappointed at the low attendance. We all need to get more involved in our industry and all that it represents. If we do not, we cannot complain. We are all pa part of this business and we can make it better. We owe it to all the people that work toward bettering our industry and the ones who started ASPE and all the great organizations involved.

Our next monthly meeting is **Tuesday, April 18, 2016** at Dominic's RC. April meeting presentation will be on "Acid Neutralization Systems" Speaker to be Kevin Freeman from Town and Country Plastics. Table top display will also be presented by Town and Country Plastics. I Please check the Website www.new-jersey-aspe.org during the month for meeting and other information. *Outlook calendar appointments are sent out and members should accept or reject the invitation so the registration is done electronically.*

The annual NJ ASPE Golf Outing for 2017 is upon us as of this writing we have approximately 25 players signed up, we need 60 players for a shotgun start. **Sign up now.** We are playing at Stanton Ridge Golf and Country Club in Readington, NJ. This is a great venue for our golf outing. Should be a great time. A Special Thanks to Fred Holzaphel, all the Sponsors, including the players, volunteers and all those who all help behind the scenes to make this outing happen. We still need more Platinum, gold and Silver sponsors. And Volunteers.

We are looking for New NJ ASPE board members, if interested in being a board member Contact Ryan Mullen or any board member and we can explain responsibilities of each position. We would need to get you on the Board Voting Ballot prior to April. For any new board members, we are also offering a Delegate Position for the 2018 ASPE Convention September 28 thru Oct 3, 2018 in Atlanta Ga.

Please visit our New ASPE Chapter website. www.new-jersey-aspe.org
